

Little Hands Social Distancing and Cleanliness Protocol

- **If any member of your household is sick or showing symptoms of cold/flu, please cancel your appointment ahead of time.** Therapists are available to reschedule as a virtual session, or in-clinic at another time.
- Therapists, parents, and children over 12 years old must wear face coverings at all times.
- If another family is in the waiting room, please wait in the hallway or outside keeping 6 feet of distance at all times.
- Please use hand sanitizer BEFORE entry to the clinic (bottle at door).
- All kids will wash hands for a full minute prior to engaging in therapy and during transitions within their session.
- No more than one therapist/child pair in break out rooms at a given time (unless special circumstances allow).
- No more than two therapist/child pairs in the larger gym at one time, while maintaining social distancing.
- **Therapists to sanitize all toys, gym equipment, and swings between each use, and wash hands before and after every child they work with.**
- Little Hands provides therapists with PPE (face masks & shields, gloves, sanitizer) and building has a daily cleaning service who disinfects all surfaces.
- No snacks, treasure, or water to be given. Please bring a water bottle for your child if needed.
