Fee: \$1,375 (Per Week)

Note: Superbills provided upon request

Week 1: June 26 - June 29 (9:30am-12:00pm)

Week 2: July 10 - July 14 (9:30am - 12:00pm)

About this camp

Courageous Kids is a sensory motor based behavioral therapy program. The program has been designed to support preschool and elementary aged children with various anxiety based disorders such as, but not limited to:

- Selective mutism
- Generalized anxiety
- Sensory processing disorder
- Social Communication Challenges

The goal of this program is to support children with communicating and participating more freely and comfortably in school and other social settings. A classroom-like setting is created that offers children a safe environment to practice verbal participation: “courageous talking”, “courageous moving” and “courageous playing”. Children are positively reinforced for being brave and courageous!
